

Terms and Conditions Pending

We are delighted that you are interested in a Summer Course with us in 2021.

Etherton Education is a family-run company, with a strong reputation for caring for and educating international students. We will do everything possible to ensure that the children under our care are safe and have a great summer course in 2021.

At present, it is not possible to confirm many of the basic features of our Etherton Education Summer Courses because of the unknown future effects of COVID-19. The news about the virus changes every day, and the UK and other countries quickly change their laws and rules to try to protect their citizens. These changes may affect our summer courses.

You may apply for a course at any time and you will receive Terms and Conditions for your booking when we request a deposit payment, at the same time as sending you the invoice for the course.

The deposit requirement and terms and conditions will be reviewed on **01 March 2021** by our Directors and, if you have submitted an application, you will be contacted with further information.

If you have any questions, please do not hesitate to contact our Admissions Team.
