

We are proud to announce our 2022 Online Summer Courses. These academic courses are specially designed to help students who will be joining British boarding schools this September. They are also suitable for students who wish to try British education before they come to the UK in future years.

Preparation for British Boarding School Online Pre-GCSE Course

For international students aged 13 – 15 years

Preparation for British Boarding School Online Pre-A-Level / Pre-IB Course

For international students aged 15 – 17 years

Each online course includes:

- English language lessons
- Saturday Activity sessions: learning through fun
- Lessons in your main academic subjects
- Boarding School Preparation: conversation sessions with our staff and Student Hosts

Suitable for international students aged 13-15 years.

Minimum English Level: B1 / IELTS 4.0

This course is suitable for students who will start Years 9 or 10 in September 2022, or for students who are interested in coming to a British boarding school in the future.

English Language: five lessons a week focusing on speaking and listening skills

Main Subjects: eleven lessons a week in Maths, Physics, Chemistry, Biology, Business Studies, History and Geography.

PLUS:
Boarding Preparation Sessions.
Saturday Activities.

Our Pre-GCSE online course is based on a typical Year 9 syllabus. Students will have intensive English Language sessions, focusing on speaking skills. They will also study a fixed timetable of the main GCSE subjects. These will help students widen their knowledge and their technical vocabulary. In addition, we have designed unique Boarding School Preparation sessions, in which our experienced Student Hosts discuss what life is really like in a boarding school, and how international students can be happy and successful there.

Preparation for British Boarding School

Course Information

Boarding School Preparation Sessions

When international students first come to a British boarding school in the UK, everything is new to them, and they can feel very anxious. To help students, we have designed these unique sessions to explain our British systems, conventions and culture. Our friendly British Student Hosts are in charge of these sessions, and will encourage students to chat and learn about their future life in the UK. The sessions will include these topics:

- How to be happy and successful in your boarding school
- Daily life in a boarding house
- How to make new friends
- The British education system
- The importance of extra-curricular activities
- Learning to learn for exams
- Manners, etiquette and food
- The university application procedure
- Travelling and shopping in the UK

Course Dates and Prices

Active Learning

All lessons will be live, with a maximum of eight students per class. All students are expected to participate actively in our lessons, with their cameras on. We want students to ask questions, give their opinions, and to practise speaking a lot with our staff.

There will be four lessons every day from Monday to Saturday, a total of 24 lessons. Each lesson is 45 minutes long.
